I hope you enjoy your free round opossum tags!  
I find they work best with a 1.5" paper punch,  
a 1/8" hole punch, and 2mm ball chain (for keychains),  
or 1mm bakers twine for regular tagging.  
I've included links below to the exact products  
that I use to tag all of my items.

## Tag Supplies: Affiliate Links

[1.5" Paper Punch](#)

[1/8" Hole Punch](#)

[Silver Ball Chain](#)

[Colorful Ball Chain](#)

[See Amazon Store for bakers twine](#)

Thank you for your support!
